## **DETAILED ACTION**

### ***Status of Claims***

1. This communication is responsive to amendment filed on November 15, 2006.

Claims 1,2,4-19,21-40,42 are pending.

### ***Response to Arguments***

2. Applicant's arguments, filed 11/15/2006, with respect to claims 1,2,4-19,21-40,42 have been fully considered and are found to be persuasive. The previous rejections of office action dated 8/15/2006 have been withdrawn.

### ***Allowable Subject Matter***

3. Claims 1,2,4-19,21-40,42 are allowed.

4. The following is a statement of reasons for allowance: Applicants invention of transferring web page source data is found to be patentable. The particular feature(s) found to be novel are

filtering at least a portion of non-renderable character data by removing characters of the identified non-renderable character data from a requested web page source data, thereby creating modified web page source data; transmitting the modified web page source data to the remote client over the computer network; and then after transmitting the modified web page source data to the remote client, transmitting the original web page source data to the remote client including the characters that were removed. The mentioned claim limitations are not found, neither single or in combination, in the prior art of record.
